Southwest Movers Association Saddened by Passing of Member

AUSTIN- Southwest Movers Association (SMA) was saddened by the loss of member Dan Dase who died Saturday in a tragic helicopter crash. A young friend of the Dase family, Caleb Hays, was also killed in the crash.

Dan was a true friend, a favorite among his clients and colleagues alike. His sudden departure is heartbreaking to all our members and he will be terribly missed.

We continue to pray for Dede and their son Daniel, and the entire Dase family and Hays family during this difficult time.

Funeral arrangements are listed below.

The Associated Press released the following article:

CROWLEY, Texas -- A man and a 9-year-old boy died Saturday when the helicopter they were in crashed on ranchland owned by Fort Worth billionaire philanthropist Ed Bass, authorities said.

Officials identified the man as 52-year-old Fort Worth insurance agent Daniel Dase and the child as Caleb Hays of Olivette, Mo., a St. Louis suburb.

Officials said there wasn't any indication the two were related to the Bass family.

The two-seat helicopter went down in a grassy field in good weather, indicating there weren't any "external factors" that led to the crash near Crowley, a suburb south of Fort Worth, said Terry Grisham, a Tarrant County Sheriff's Department spokesman. No one on the ground was injured.

Investigators from the National Transportation Safety Board and the Federal Aviation Administration will try to determine the cause of the crash.

"Witnesses said they heard a popping noise overhead and heard the impact," Grisham said.

Bass couldn't be reached for comment.
